

**COMPTON
AND
WEIR**

periodontics & implants

Thank you for choosing the office of Dr. Anna Claire Compton and Dr. Steve Weir. We look forward to taking care of your periodontal and implant needs.

When you come to your appointment, please provide a list of medication & what they are taken for and a list of drug allergies &/or sensitivities.

Please let us know prior to your appointment if you have any history of Artificial Heart Valve or Phen-fen/Redux use without a clear ECHO, because patients that have these conditions are required to pre-medicate with antibiotics prior to dental exams, so we will need to call a prescription into your pharmacy.

Payment is due in full for this initial visit. The fee is \$120 for a limited exam or \$200 for a complete exam. This fee does not include x-rays or any other services that may be required that day. If you have insurance, we will file a claim on your behalf, so you can be reimbursed quickly for the amount that insurance pays.

If you find that you cannot keep your appointment, please give us at least 48 business hours notice.

Please contact our office if you have any questions.

Thank you!
